Pizza night can be even more fun when you pickup dinner at Little Caesars in La Verne.

This innovative and wonderful campaign of donating \$5.00 gift cards to families through Sowing Seeds For Life has become a staple of our community support.

To date they have donated hundreds of \$5.00 gift cards which help to feed families when our pantry is not available.

This program is exceptional and has helped so many families in a special way. If you can, please purchase a gift card on your next visit to Little Caesars . They are located at 2086 Foothill Blvd on La Verne.

Thank you John, Pam and your team.

### Congratulations!

This year our wonderful La Verne Chamber of Commerce kicked off their inaugural Best Of La Verne and we are so excited to congratulate all of the winners; many of which are long time community partners with Sowing Seeds For Life.

We sincerely wish to recognize a few groups in particular such as our wonderful friends of GFWC La Verne-San Dimas Woman's Club. Who won Best Service group. A very well deserved honor, this group has always helped SSFL through events, holidays, distributions and more. Way to go!

Third Street Wine, who have partnered with us for events almost since our beginning, we are thrilled for you and cheers!

The Fairplex, what can we say about the neighbors who helped us to feed 200,011 people in a pandemic. Best Family Fun and great neighbors as well.

Tuesday Morning, thank you for helping so many of our clients.

Sanders Towing, we are thrilled for your recognition.

To all of the winners, we are so happy for you and thrilled to see you honored for all of your hard work and compassion.

Please visit the La Verne Chamber of Commerce website for the full list of winners.
